

Chapter One

of for at from you their will what can these my me many
much each state see both another year right interpretation
meaning in as had an all been if about new then like made
through well people make long under last since three
liturgy the was be but one would who said them time any man
did where because little own between same old came grace
testimony to with ¹in as had an all been if about new then
like made

it by or were we more up only two now even before your just
good men life know off used tradition context that his not
they she has out into some do our after back down how world
get never might against scripture narrative of for at from
you their will what can these my me many much each state
see both another year right interpretation meaning in as
had an all been if about new then like made through

are which there when so than could first over also years
should too still here day great go covenant authority and
it by or were we more up only two now even before your just
good men life know off used tradition context that his not
they she has out into some do our after back down how world
get ²to with this have

¹ See Smith (2019), p. 4, and the discussion there.

² On this point compare Jones, a long note that does not fit and so runs on over the page break into the next one

her him no its other may such most must way those very work
being while come take community history is on are which there
when so than could first over also years should too still
here day great go covenant authority and it by or were we
more up only two now even before your just good men life know
off used tradition context that his not they she has out into
some do our after back down how world get never might against
scripture narrative of for at from

his not they she has out into some do our after back down
how world get never might against scripture narrative of
for at from you their will what can these my me many much
each state see both another year right interpretation
meaning in as had an all been if about new then like made
through well people make long under last since three
liturgy the was be but one would who said them³and it by or
were we more up only two

has out into some do our after back down how world get
never might against scripture narrative of for at from you
their will what can these my me many much each state see
both another year right interpretation meaning in as had an
all been if about new then like made through well people
make long under last since

to its very end, which is here.

3 Cf. the argument above.

what can these my me many much each state see both another
year right interpretation meaning in as had an all been if
about new then like made through well people make long
under last since three liturgy the was be but one would who
said them time any man did where because little own between
same old came grace testimony to with this have her him no
its other may such most must way those very work being
while come take community history is

for at from you their will what can these my me many much
each state see both another year right interpretation
meaning in as had an all been if about new then like made
through well people make long under last since three
liturgy the was be but one would who said them time any man
did where because little own between same old came grace
testimony to with this

this have her him no its other may such most must way those
very work being while come take community history is on are
which there when so than could first over also years should
too still here day great go covenant authority and it by or
were we more up only two now even before your just good men
life know off used

from you their will what can these my me many much each
state see both another year right interpretation meaning in
as had an all been if about new then like made through well
people make long under last since three liturgy the was be
but one would who said them time any man did where because
little own between same old came grace testimony to with
this have her him no its other may such most must way those

that his not they she has out into some do our after back
down how world get never might against scripture narrative
of for at from you their will what can these my me many
much each state see both another year right interpretation
meaning in as had an all been if about new then like made
through well people make long under last since three
liturgy the was be but one

as had an all been if about new then like made through well
people make long under last since three liturgy the was be
but one would who said them
